Mr. Baltes:

This email shall notify you of certain rejected recall registration statements, confirm an active registered statement, notify you of insufficiencies in 6 pending recall registrations, and notify you that while you originally filed a recall registration against Sen. Holperin (SD 12) that was rejected, we have not received an electronic registration statement nor any other paper work for a new filing.

First, the following recall registration statements were rejected for failure to include a resident petitioner:

- 1) SD 12 and 16, dated February 18, 2011. See attached.
- 2) SD 4, 6, 22, 24, 26 dated February 19, 2011. See attached.
- 3) SD 30, dated February 21, 2011. See attached.

Second, the recall registration for SD 16 with petitioner Mary Bryant, 201 Orchard Street, Oregon, WI 53575, dated February 23, 2011 was rejected because the petitioner does not reside in SD 16, but in fact resides in SD 27. See attached. (Please note that you have a separate recall registration for SD 16 pending which does have proper resident petitioners; however, see section beginning "Fifth" below.)

Third, you only have one active registered recall registration statement that is sufficient, meaning that we have received the electronic filing with a resident petitioner, the original paper copy, and the original paper copy of the statement of intent to recall. This is for the recall of Senator Coggs (SD 6).

Fourth, we have the electronic filing of the recall registration statements for Sen. Taylor (SD 4), Sen. Wirch (SD 22), and Sen. Risser (SD 26) and we have the paper copies of the statements with proper resident petitioners; however, these registration statements remain insufficient as we do not have copies of the statements of intent to recall for all three. **Pursuant to Sec. GAB 6.02(2), Wis. Adm. Code, you have 15 days from the date of this email to correct these insufficiencies. Failure to do so will result in the rejection or lapse of the registrations and they will not be effective.**

Fifth, we have the electronic filings of the recall registration statements for Sen. Miller (SD 16), Sen. Hansen (SD 30), and Sen. Lassa (SD24); however, they are currently insufficient as we do not have the paper copies or statements of intent to recall for all three. **Pursuant to Sec. GAB 6.02(2), Wis. Adm. Code, you have 15 days from the date of this email to correct these insufficiencies. Failure to do so will result in the rejection or lapse of the registrations and they will not be effective.**

Sixth, we have no electronic recall registration filing in CFIS, no paper copy, nor a statement of intent to recall associated with Sen. Holperin (SD 12).

Please contact me if you have any further questions.
